[BOEM.gov/renewable-energy/state-activities/new-york-bight](https://www.boem.gov/renewable-energy/state-activities/new-york-bight)

Name: \_\_\_\_\_

Affiliation (if any): \_\_\_\_\_

Phone Number: (     ) \_\_\_\_\_

Email Address: \_\_\_\_\_

Would you like to be added to our stakeholder mailing list?  Yes or  No

Privacy Act Statement: BOEM is requesting your information to capture attendance at this public meeting. The contractors and BOEM will not sell or share your information with third parties for promotional purposes. If you provide an email address, BOEM will use the email address for the limited purpose of using Constant Contact to share updates and information specific to the New York Bight PEIS, including sending notifications for additional upcoming public meetings. You may review the Constant Contact privacy policy (<https://www.constantcontact.com/legal/privacy-notice>) to learn how the service uses your information. Providing your email address is voluntary, but it is necessary to receive program updates. You may unsubscribe at any time and may access updates on BOEM.gov. BOEM does not routinely share subscriber information with external agencies unless required by law, or as authorized under the Privacy Act or the routine uses in DOI-08, DOI Social Networks, 76 FR 44033 (July 22, 2011).

Envelopes should be labeled: "NY BIGHT PEIS" and mailed (or hand delivered) to:

**Chief**  
**Division of Environmental Assessment Office of Environmental Programs**  
**Bureau of Ocean Energy Management**  
**45600 Woodland Road (VAM-OEP)**  
**Sterling, VA 20166-9216**

For more information on the Draft Programmatic Environmental Impact Statement, please contact:  
Dr. Jill Lewandowski, Chief, Division of Environmental Assessment, at (703) 787-1703.
